AI in practice. By marketers, for marketers.

STARTER BRAND GUIDE

01 Who We Are

A community of experienced marketers learning to apply AI through real examples, live demos, and peer conversation. Practical, curious, candid, and collaborative.

02 Our values

- **Collaborate face to face.** Learn together in real time.
- **Show the process.** Share the evidence behind what worked and what did not.
- **No posturing.** Bring honest questions and real experience.
- **Value over vanity.** Focus on meaningful business impact.
- **Humans lead.** Keep people at the center of decisions, problem solving, and tool use.
